INTRODUCTION FROM DANNY MOODY, NORTHANTS CALC CEO

Welcome to the parish council sector. I hope that you find your new role enjoyable and rewarding. I tell people that there is never a dull day in the world of parish councils, which always raises a bit of a smile, but it's true! The Clerk's job is very varied and always interesting.

Northants CALC is the membership organisation for parish and town councils and your council has always been in membership. We supply information and guidance, legal support, training, representation and a free-at-the-point-of-use enquiry service. We're here to help you!

Northants CALC is here to help you, so please do let us know how we can be of assistance as you settle in to your new role.

Let me know if there's anything I can do to be of assistance. Whatever you need, just shout.

Best regards,

Danny Moody
