# Past, Present, or Future?

*“...eleven resolutions [were] put to the Annual General Meeting in October, covering such diverse issues as the lack of sufficient information on planning applications being sent to Parish Councils, rural policing and vandalism, lorry routes, and bus services...”*

1977

# Past, Present, or Future?

*“The problems with which it has had to deal are very much the problems of today – planning, urban encroachment and development, bus services, water supplies, traffic warning and road safety signs, postal services, street lighting and a host of other matters, some minor, some major, but all of importance to the life of a rural community...”*

# Past, Present, or Future?

*“It cannot be denied that the Association has met successfully the challenge of the past; there are sound and solid grounds for believing it will meet just as successfully the greater challenge which increased responsibility is certain to bring in the future.”*

# Mission

- **Mission Statement**

Northants CALC will empower Local Councils in Northamptonshire to be at the heart of community leadership and development, providing them with information and services and enabling them to promote the social, economic and environmental wellbeing of their community.

Northants CALC will be the voice of the first tier of local government in Northamptonshire and will understand and represent locally, regionally and nationally the views of the 220 parish and town councils and 51 parish meetings in the county.

# Vision

- **Vision: Northants CALC wishes:**
  - Local Councils to be recognised as local authorities serving their communities as the first tier of local government.
  - The tiers of local government in Northamptonshire to work in partnership and respect each others' role.
  - Local Councils to modernise, professionalise and increase their capacity in order to be able to make a real difference to peoples' quality of life.

# History of the Association

- The farther back you can look, the farther forward you are likely to see.
